If this is the case, a professional tour director from the supplier of the tour will be available to assist with your needs and to direct the itinerary. Before the tour ever departs, you will have your seasoned tour director's name and cell phone number.

ABOUT EACH TOUR

We carefully plan a custom itinerary of every tour for your enjoyment. We travel on scenic routes and interstate highways for the best possible tour. We take a break every two to three hours. We make sure your reservations are scheduled and confirmed months in advance. Luggage tags, departure information including pick up times and locations, all hotel contact information and your tour director contact information will be mailed to you 7-10 days prior to tour departure.

PRE AND POST ACCOMMODATIONS

To better serve our customers who live 70 miles away or more from your closest pick up point, we offer a pre-night and/or a post-night hotel room at a **\$80.00** per night to you. Payment and reservations for these rooms are arranged by Making Memories Tours at **45-days prior to tour launch**, so call us before then and we can visit about the best option for you.

HOW DO I BOOK A TOUR?

- To ensure your complete reservation, we require a deposit or full payment for the specified tour(s). Most domestic, motor coach only, tours require a \$100.00 per person deposit. Final payment is usually due 45-days prior to departure. Refunds can typically be given at 45-days prior to departure unless stated differently on invoice. Your invoice will include all the pertinent action dates. **You must cancel with MMT in writing along with a phone call.**
- Tours including airfare, overseas riverboat cruises, or ocean liner cruises require a \$250.00 per person deposit. Final payment is usually due 120 to 75 days prior to departure. - *NOTE: If you choose to utilize trip insurance with our partner company and have pre-existing health conditions you wish to be covered for, you must take out trip insurance within 14-days of paying your tour deposit.*

TRIP INSURANCE

✈ Tours featuring this symbol will involve a flight.

Each traveler must present a **REAL ID** compliant driver's license or state-issued enhanced driver's license and for international travel, a valid passport is required. **Please note for all domestic flights, luggage fees are not figured into the cost of the tour and will be an additional cost payable direct to the airline upon your ticketing process for boarding.** International flights accommodate luggage fees, providing you abide by size and weight limits, you will be responsible for any overages. 'FUZZY' BOOKING PROGRAM

So, you are thinking what is a fuzzy booking? We are glad you asked! A fuzzy booking is a reservation with no money down on any trip. You can sign up for a fuzzy booking at a Travel Expo or call us to reserve your spot today - no obligation! This will save your spot in the event the trip begins to fill up. We will call you for a deposit for one of two reasons: If the trip begins to fill up or at 90-days before the departure of tour, we will ask if you would still like your seat. When contacted if you can't go for any reason - that's no problem! Because we know that sometimes the future is "fuzzy".

** Not applicable to all tours.*

YOUR REFERRAL PROGRAM

Thank you for helping us spread the word and generate additional customers! As a reward we would like to give you \$ off your next tour. How does that work? You have gone on a tour; you come home and tell all your friends and family. Then they call or email us wanting to be added to our customer list as a new customer. When they notify us, they need to tell us you referred them. If they go on a 5-day or more tour we mail you a \$75 tour certificate. We rely on our happy customers to advertise for us and would rather reward you instead of spending that same money on costly newspaper advertising.

Occasionally in this world, all the stars seem to align and something remarkable happens, and if you are paying attention, you can be there when it does take place. On this short little adventure to make memories we will be there when it does. On April 8, 2024, certain parts of the country will get the chance to see something truly astounding. A total Solar Eclipse is coming to Missouri, but the path of totality is narrow. That is why Making Memories is heading to Cape Girardeau when for 4 minutes and 5 seconds the Moon will move between the Earth and the Sun and cast its shadow on the Earth. Along the path of totality, darkness will fall in the middle of the day. Planets and stars may appear. The temperature could drop up to 5 degrees and animals and insects will behave like nightfall has set.

DAY 1

Solar Glasses are provided so you can see this event's beauty with your own eyes. (Please don't look at the sun without solar glasses - going home blind is no way to make memories). In the build-up to this event, Cape Girardeau will have a big festival filled with food trucks, vendors, locals, and fellow travelers to take in the event. This portion of the country won't be seeing another total solar eclipse for 100 years making this truly a once-in-a-lifetime memory. After the festivities have concluded, we will make our way to our hotel for our final overnight.

The cherry blossom tree is Japan's national tree, but its renown is worldwide. This blossom is so famous that our nation's capital has an entire parade dedicated just to it. This festival is a time of year when the white marble of Washington's many monuments is decorated in pink, various festivities abound in celebration, and the parade serves as the climax to the whole affair. We've planned this tour so that you have the opportunity to do some deep-sea fishing on Father's Day. We've also built in multiple nights on the beach, and you will enjoy a free day where you can either relax on the beach, go deep-sea fishing for a second day or spend the day golfing. The choice is up to you. So, grab your dad or your son and let's go make some manly memories.

DAY 1

Today, we board our bus and start our journey together as we head south. The first stop we will enjoy will be in Memphis at the massive, one-of-a-kind, **Bass Pro Shop in the Pyramid**. After a little time to browse (don't worry men this tour isn't a shopping trip) we head to the **top of the Pyramid for an included dinner**. Leaving here, it is a short drive to our hotel for the night in Horn Lake, MS.

MEALS: Dinner

DAY 2

So, one thing about deep sea fishing is you have to get to the coast. Therefore, today is primarily a driving day as we make our way south trying to get to the Gulf. We do have time at the **Mississippi Aviation Museum**, which honors Mississippi aviation heritage and the heroes that forged it. Leaving here we find ourselves in Mobile, AL, where we will be spending the night.

MEALS: Breakfast

DAY 3

Today is Father's Day, and this is also the day where we will all be boarding a large boat together and spending a good part of the day out on the Gulf of Mexico doing some **Deep-Sea Fishing**. Everything needed is included here - bait, tackle, rods and reels, and fishing licenses. The deckhands will gladly filet and bag your fish for \$0.30 per pound (not included). Just some of the fish that might be caught include Red Snapper, Triggerfish, Vermilion Snapper, White Snapper and Lane Snapper. Our hotel for the next two nights is right on the ocean in Orange Beach, AL.

MEALS: Breakfast, Lunch

DAY 4

Making Memories decided to go ahead and make today a **free day**, because there are several different ways you can spend the day and many people might want different things. So, here are your options - you can hang out at our beachfront hotel and enjoy relaxing by the ocean, you could head back to the dock and enjoy another day of deep-sea fishing, or you can head out for a day of golfing. You choose what you like, and Making Memories will handle the transportation.

MEALS: Breakfast

DAY 5

This morning we say goodbye to the ocean as we head homeward. On the way, will have a stop at **Vicksburg National Military Park**. Here we learn about the significance of this strategic position during the time of the Civil War. Leaving here, we continue to our overnight in Monticello, AR.

MEALS: Breakfast

DAY 6

As we make our way home today, we do have one more stop. In North Little Rock, we arrive at the **Arkansas Inland Maritime Museum**. While here we will have the chance to enter the **USS Razorback**. This submarine is a veteran of WWII, Vietnam, and the Cold War. Leaving here we continue home. The journey may be over, but the memories will last a lifetime.

At Making Memories, we love to hear where our customers want to travel - and what they have on their Bucket List. We've been getting a lot of requests for an Alaskan Cruise. Therefore, we've put together an incredible adventure that takes us across the waves to the Last Frontier. This 7-day cruise takes us from Vancouver through the inside passage to Seward, then we have a 6-day land tour to see what the great state of Alaska has to offer.

DAY 1 & 2

Our first day together sees us heading to our hotel this afternoon to prepare for our early morning departure tomorrow. Our second day has us boarding our plane together and starting our journey in earnest as our flight takes us into Canada to the city of Vancouver where we will be staying the night.

DAY 3

We have the morning to make the short journey from our hotel to the docks, where we will be boarding. We will have the rest of the day to find our rooms, get settled and start exploring the ship.

MEALS: Breakfast, Lunch, Dinner

DAY 4

Our first full day at sea takes us through the **Inside Passage**. You will definitely want to keep your camera handy and your eyes open because the Inside Passage is filled with stunning views and wildlife.

MEALS: Breakfast, Lunch, Dinner

DAY 5

Today our ship arrives in **Ketchikan**. Thanks to its abundant rainfall, Ketchikan is surrounded by some of the world's most lush wilderness. Its Tlingit Indian name, Kach Khanna, means "spread wings of the eagle." Chances are you'll see one of these magnificent birds perched atop a Sitka tree during your Alaska cruise to Ketchikan. There will be some optional excursions you can choose from here. Just be sure to be back to the ship in time. The boat doesn't wait on anyone.

MEALS: Breakfast, Lunch, Dinner

DAY 6

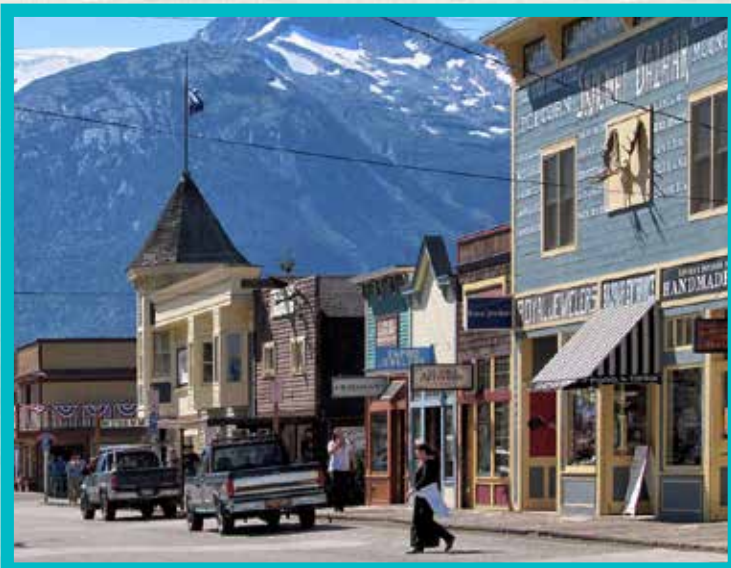

The next stop on our cruise, **Juneau**. Juneau has been called “Alaska’s peak experience,” certainly due in part to its unparalleled glacier viewing from such places as Tracy Arm Fjord, the Juneau Icefields, Glacier Bay National Park and Mendenhall Glacier.

MEALS: Breakfast, Lunch, Dinner

DAY 7

As our cruise continues north, we stop at the picturesque and quaint little town of **Skagway**. In a single year from 1896 to 1897, this remote town along the Inside Passage grew from a few tents to a city of 20,000 gold seekers. Today, travelers come in search of other riches – to experience yesteryear along Skagway’s charming boardwalk lined with buildings that replicate those Gold Rush days.

MEALS: Breakfast, Lunch, Dinner

This morning we dock at **Icy Strait Point**, an enchanting cruise port that promises an unforgettable experience for all visitors. This picturesque destination offers a perfect blend of natural beauty and thrilling adventures, making it a must-visit.

MEALS: Breakfast, Lunch, Dinner

DAY 9

Today could very well be considered the highlight of our cruise as we experience **Hubbard Glacier**. The Hubbard Glacier is the largest tidewater glacier in North America. Its awe-inspiring, turquoise-colored face towers nearly 400 feet tall – 250 feet of which are underwater – while its icebergs are often three or four stories high. At nearly six miles wide where the ice meets the ocean and 76 miles long, viewing this massive glacial mass is an experience not soon forgotten. As you cruise near the glacier, keep an eye out for the region’s rich variety of wildlife, from bald eagles to harbor seals, orcas, and humpback whales.

MEALS: Breakfast, Lunch, Dinner

DAY 10

This morning our cruise comes to an end here in **Seward, AK**, but the excitement continues as we board our motorcoach and start the land portion of our adventure. We continue north, stopping at the **Alaskan Wildlife Conservation Center** where we can get up close to some of Alaska’s most iconic animals, such as moose, musk ox, bear, wolves and more. Next up is a real mountain-top experience as we arrive at the **Alyeska Resort**. Here a **gondola ride to the top of the mountain** awaits. At the top **lunch will be waiting for us**. This evening we find ourselves in Anchorage for our overnight.

MEALS: Breakfast, Lunch

DAY 11

We won't spend a whole lot of time in Anchorage; however, we will enjoy a **step on guided tour of the city** before we continue north. **The Musk Ox Farm** will be our next exciting stop for a close-up experience of these magnificent Paleolithic ruminants. We will then be moving on and arriving for our overnight in Talkeetna, AK.

MEALS: Breakfast

DAY 12

This morning we continue our journey, but today we will be traveling in style on the **Alaskan Railroad**. Once onboard we will enjoy the dome viewing for an unforgettable view of the Last Frontier. Tonight, we will enjoy some local entertainment at the **Alaska Cabin Nite Dinner Show**.

MEALS: Breakfast, Dinner

DAY 13

The last several days have been something of a whirlwind of activity and adventure, so today we are giving everybody a **free day** with which you can go out and spend as much or as little time as you like seeing the sights of **Denali National Park**.

MEALS: Breakfast

DAY 14

For the last time on our journey together we will once more board our coach and continue heading north. There is only one destination further north for us to go to and that is, of course, the city of Fairbanks, AK. Northern California will be our destination: a remarkable land where the grand scope of nature's beauty blends with mankind's incredible accomplishments. Rugged Pacific Coastline, giant Redwoods, snow-capped mountains, some Napa Valley wine, oh, and also, Yosemite National Park. This is where sweet memories are made.

DAY 1

DAY 2

Our first experience in California will be the **Old Sacramento Underground Tour**. We see and learn how Sacramento lifted itself up out of the flood waters during the 1860s and 1870s; how the streets and buildings were "Jacked Up!" to avoid further flooding; and how spaces were created by the city's successful raising process. Next up we head to the **California State Capitol** for an informative tour. Our final activity in Sacramento brings us to the river, where the **River City Queen** awaits. We will enjoy dinner beneath the stars on a twilight dinner cruise on the Sacramento River.

MEALS: Breakfast, Dinner

DAY 3

This morning we leave the state capital behind and head north to Redding, CA. After some time in Redding to **enjoy lunch and see some of the sights**, we head towards Lake Shasta for dinner. Where a delicious **Dinner Cruise on Lake Shasta** awaits us all. The beautiful scenery of the lake is a memory maker by itself, but add a delicious dinner on top of it, and this is an unforgettable experience.

MEALS: Breakfast, Dinner

DAY 4

This morning we head East until we find ourselves in **Lassen Volcanic National Park**. Upon arriving we will pick up a local Park Ranger who will be traveling with us as we make our way through the park. Lassen Volcanic National Park is home to steaming fumaroles, meadows freckled with wildflowers, clear mountain lakes, and numerous volcanoes. Jagged peaks tell the story of its eruptive past while hot water continues to shape the land. Our Ranger will be able to tell us all about the geology and history of this incredible destination. As our time here comes to an end, we return to our hotel in Redding.

MEALS: Breakfast

DAY 5

Today we drive from Redding to the California Coast. This will involve a beautiful drive through **California's Northern Coastal Mountain Range**.

We can get a different perspective of the area as we learn the history of Humboldt Bay and Eureka's waterfront during this historically narrated cruise. The Captain explains local history, industries, activities, points of interests, and wildlife. Seals are sure to be seen along with migratory birds, ships and boats, a lighthouse, an Egret rookery, the Fishermen's Statue and the iconic Carson Mansion. Leaving here we head to Fortuna, CA, for our overnight in Redwood Country.

MEALS: Breakfast

While the boat is beautiful, the landscape that we go through is even more so. As we sit in our rocking chairs on the deck, the boat lazily makes its way upriver past dense forests, rocky cliffs, wildlife preserves and distinct bridges. Sometimes in life we spend so much time looking abroad we miss some real treasures right in our own backyard. This holiday season join Making Memories in a jovial little jaunt over to Tulsa, OK. In Tulsa we will see a local light display that is certain to remind us all of the reason for the season.

DAY 1

We start out this evening with a short drive into Oklahoma. This afternoon we will head over to Claremore, OK, to visit the **Will Rogers Museum**.

Rogers was one of the nation's top radio personalities, one of the nation's top movie box office players, one of the nation's most popular public speakers, and one of the nation's leading newspaper columnists. After enjoying the humor and folksy observations by Will Rogers, we head to our first **Christmas light display - the Rhema Lights**. Located at Rhema Bible College, Rhema Christmas Lights Extravaganza is a stunning display of dazzling lights that began with about 60,000 lights in 1982. Over 40 years later, millions of newer, brighter, energy-efficient LED lights adorn the 110-acre campus. Back again is a 50-figure nativity scene and a gingerbread family, complete with lollipops and gumdrops. There's also a synchronized musical display of trees and dancing snowflakes. And as always, the vibrant Rhema Park bridge acts as a remarkable centerpiece for the entire display. Horse-drawn carriage rides and concessions are also available.

DAY 2

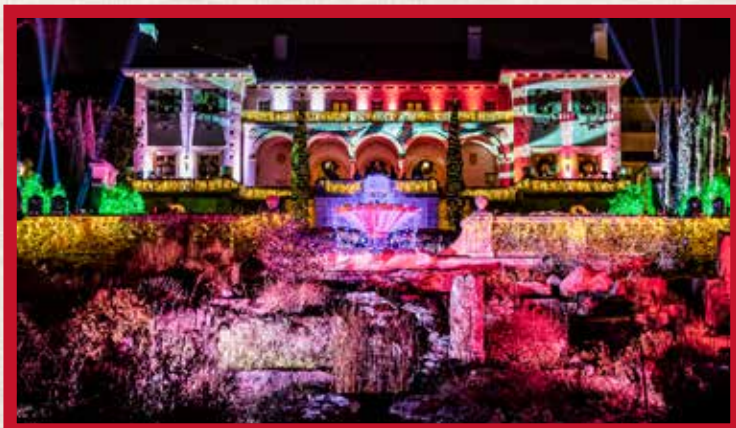

Our time today will consist of heading to the **Philbrook Museum**, as well as free time to shop at the "Antique Capital of Oklahoma." Then it's on to an included dinner at **Dilly Diner**, a small local gem. Tonight, we have another light display to attend at the **Tulsa Botanical Gardens**, where more twinkling Christmas lights await.
