# Winter Cruise TO THE CARIBBEAN

## DAYS 1 & 2

If you don't like to fly, this is the cruise for you. We will be loading up on the motorcoach to make new memories as we travel south towards our port destination of New Orleans! We will have the opportunity to meet new friends and get reacquainted with friends we haven't seen in a while.

## DAY 3

It's cruise day! But! Prior to embarking on our Norwegian cruise mid-day, we will be treated to a tour of "The Big Easy"! Our fun Step on Guide will hop on our motorcoach and show us interesting and unique places while describing the history of New Orleans.

## DAY 4

How appropriate is the name of our home for the next 6 days, Norwegian Escape?! Enjoy your day at sea as you dine in one of the many restaurants, play mini golf, enjoy live entertainment, relax on the deck or by one of the pools, or, if you're the real adventurous type, check out the on-board ropes course! PS...Naps allowed.

## DAY 5

Our first port is Cozumel, Mexico. This gorgeous island located off the tip of the Yucatan Peninsula is an alluring destination for adventure seekers and beach bums alike. Famous for its fantastic fishing, snorkeling and diving opportunities, the island and its only town, San Miguel, retain an original warmth and charm. Enjoy the welcoming spirit of this unique Yucatan gem.

## DAY 6

Today we will have the opportunity to see the beautiful Harvest Caye, Belize! Belize is ideal for eco-tourism. With diverse ecology consisting of jungles, rainforests, swamps, coral reefs and so on, you will find solace and adventure in Harvest Caye's stunning landscape.

## DAY 7

Stop monkeying around and get ready for Roatán (Bay Islands), Honduras! Beautiful and unspoiled, Roatán is a peaceful, eco-tourist's dream, just 30 miles off the coast of Honduras. Teeming with marine life and home to some of the best pillar coral in the Caribbean, the pristine Honduran Reef is a diver's paradise. And the beauty of Tabyana Beach is always a sight to behold.

## DAY 8

Ah! Costa Maya, Mexico! Here you'll enjoy vibrant culture and natural beauty at this coastal paradise in the Yucatan, featuring stunning beaches with soft sand and blue skies. Explore ancient Mayan ruins in this region rich with archaeological sites or explore the region's underwater treasures as you snorkel in the Caribbean Sea's crystal-clear waters.

## DAY 9

Today as we wind down from all the exploration, we get to enjoy another relaxing day at sea. Do you like to read? Play cards and board games? Norwegian's Escape has a library on board! Are you looking for some last-minute souvenirs? Treat yourself at the duty-free shops full of fantastic savings on fine jewelry, accessories, perfume, and more!

## DAY 10

Rise and shine! Today we arrive bright and early back in the port of New Orleans! After we disembark, we begin our journey home.

## DAY 11

What glorious adventures and memories we will cherish as we make our way home today.
